

## Savannah Area Pilot/Controller Forum

Mr. John Hall, Tower Manager at Savannah International, and members of his staff will present an "ATC and Local Operations" briefing. Area pilots of all levels and experience are invited to attend this general overview of just what ACT does in the SAV-HHI-HXD-TBR area. Learn where the "hot spots" are navigationally speaking, plus a review of local area entry/egress paths that are always a hot topic. There will also be an opportunity for your questions.

**Directions:** Parking is free! I-95 North or South to Exit #104 - Airways Avenue. Proceed East on Airways Avenue about 1 mile to the Savannah/Hilton Head Island International Airport. Park in either Long term or Hourly parking lots. Tickets will be validated at the meeting.

### A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!
